Gentlemen:

Reference is made to Amendment No. 3 to Contract No. A-103 which is currently being reviewed by you and your letter dated August 22, 1958, OMCC Doc. No. 151X5.1217 which stated that the total billings for the period July 1, 1956 through June 30, 1957, would total approximately \$131,000 for Customer No. 1. This required that \$21,000 be added to the Contract for this period.

Enclosed are three (3) copies of a revised page one to the referenced Amendment which includes additional funds for the period July 1, 1956 through June 30, 1957. It is requested that you substitute the revised pages for the present page one and return the old pages to us for destruction.

Very truly yours,
